As The Tree Grows

Without the sunshine, storm and rain,
  Without strong winds that blow,
Without each bending stress and strain,
  A tree would never grow.
For with each wind the tree grows tall,
  And roots grow deeper still;
It faithful stands in spring and fall;
  With summer fruit is filled.
A life is like a tree that grows
  Which clings its roots to sod,
For in the Lord will deeper go
  Whose face is turned toward God.
The storms of life may sway and bend,
  But taller and secure
Grows one whose life on God depends,
  Whose trust and faith endure.
So grows the Christian as the tree,
  Both in the breezes nod,
Both bear their fruit consistently,
  Both pointing men to God.
— Maxine Clark

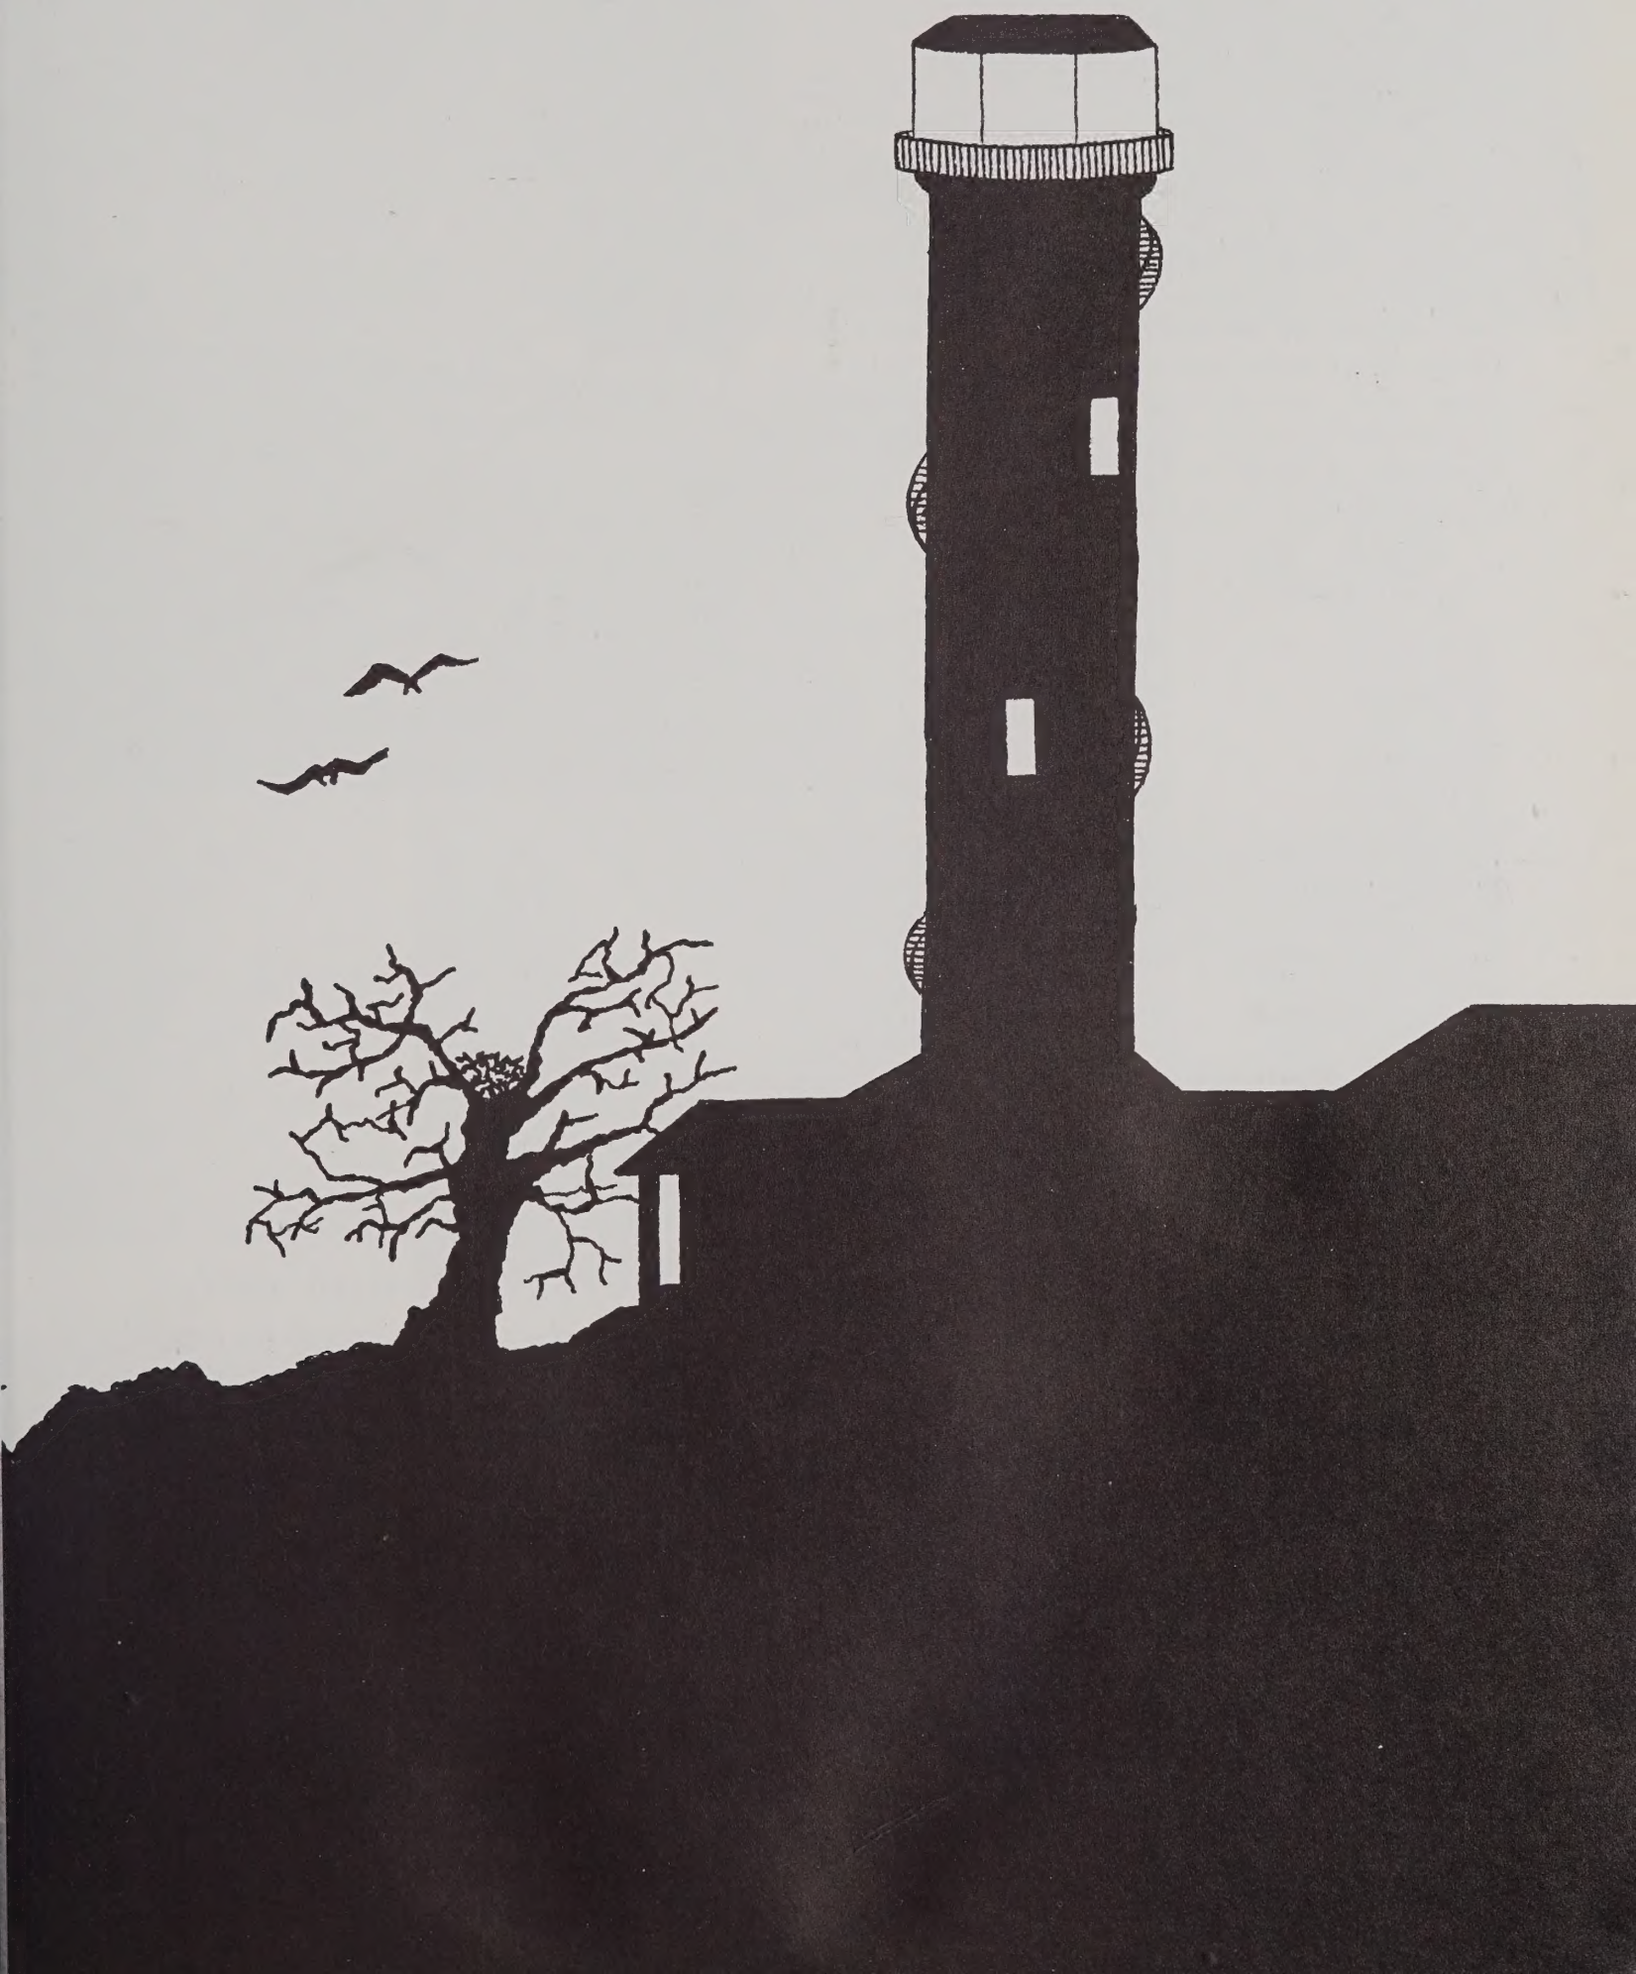
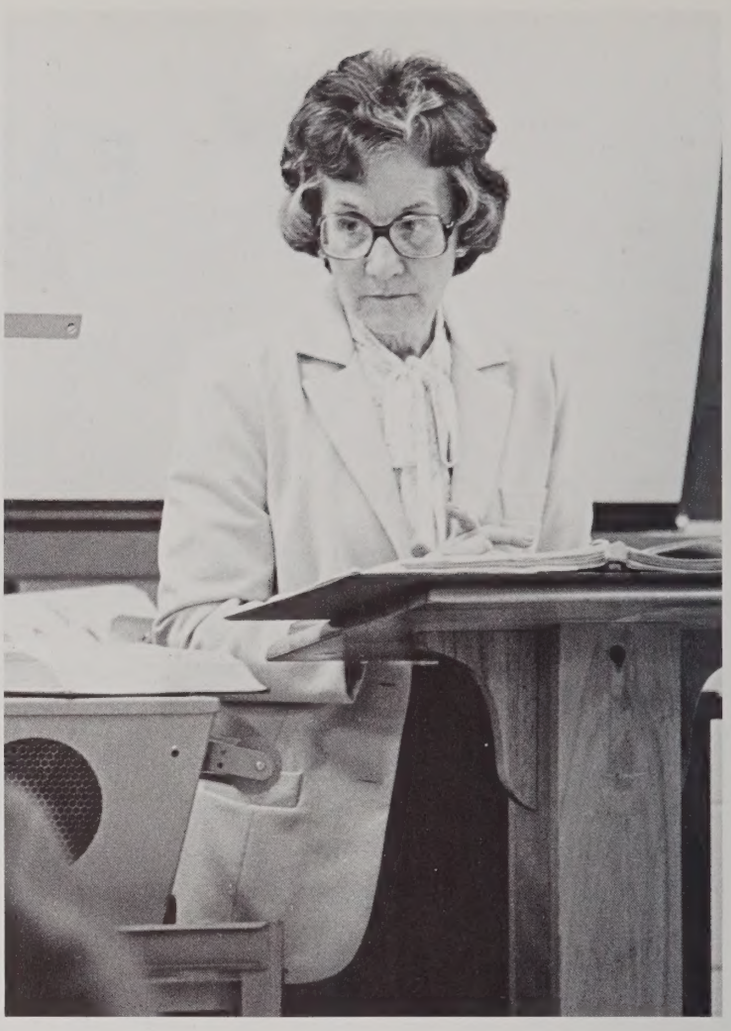
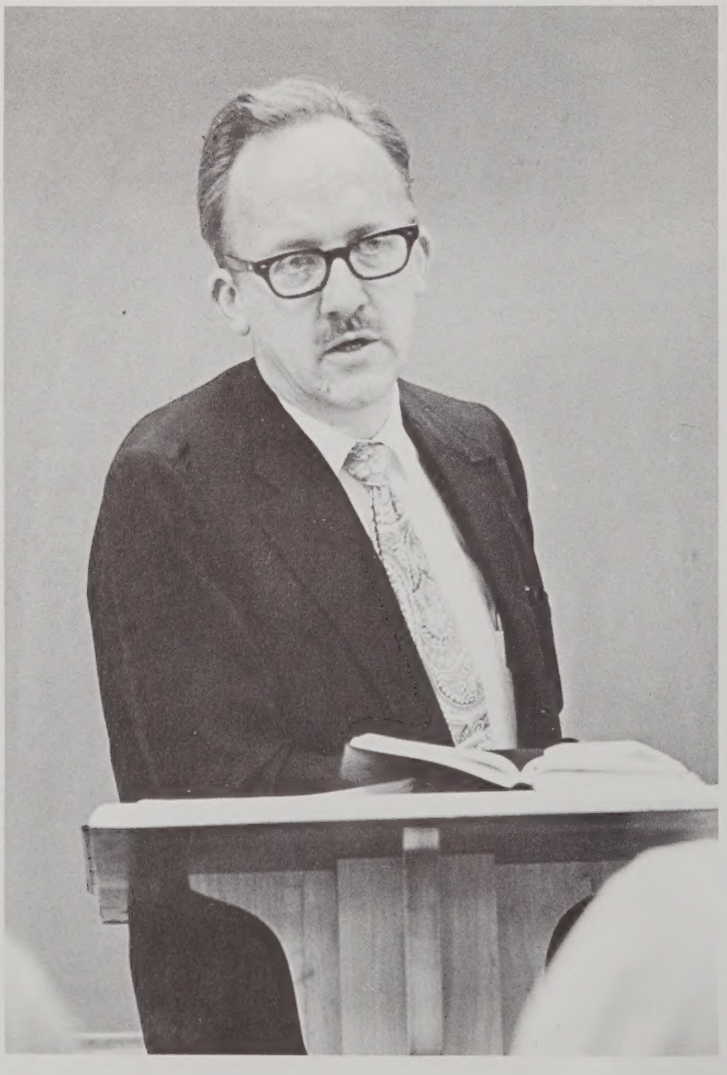
FANAL



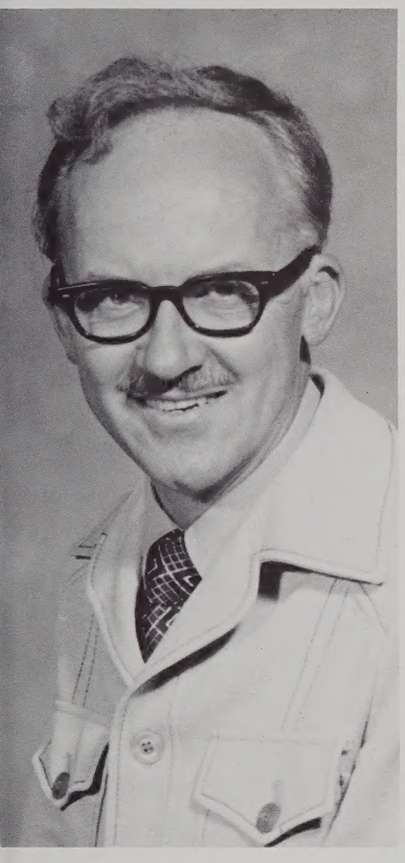
Dedication



"Love — Dr. and Mrs. Delnay. They somehow go together!" Teaching us, guiding us, and praying with and for us, they have helped us grow in Christ. They have gone above the call of duty to share both their knowledge and love. We the Fanal Staff dedicate the 1980 Fanal to Dr. and Mrs. Delnay. May the Lord bless them as they leave Piedmont and help others grow.



Love is like magic,
It grows with such
tenderness, and beauty,
It's unselfish and
kind, and goes above
the call of duty.



The Class of 1980

Great Is Thy Faithfulness!

Class Officers:

Russ Presson vice-president, Dale Brooks president, Lois Day student council, Wanda Cook second vice-pres. and Lois Ward secretary

Hugh W. Mohan
February 26, 1979

Dr. Thomas G. Lawrence
March 30, 1979

Dr. Barney R. Freasier, Sr.
August 16, 1979

Memorial

Hugh Mohen joined the P.B.C. aviation faculty the summer of '76 and quickly found his way into the hearts of students and colleagues here. The vibrant testimony he bore influenced not only his students and colleagues, but fellow church members and casual acquaintances as well. On February 26, 1979 he "flew into the presence of the Lord" when his ascending plane and another plane on its descent to the airport collided.

Dr. Tommy Lawrence quietly slipped into the presence of the Lord on March 30, 1979. His ministry for the Lord had led him into teaching at Philadelphia Bible College, National Bible Institute, Moody Bible Institute, Barrington College, and Piedmont Bible College. This former preacher, pastor, and professor was one with a great love for his Lord and His Word.

Dr. Barney R. Freasier, Sr., stepped into the presence of the Lord on August 16, 1979, after a lengthy illness. Dr. Freasier came to Piedmont Bible College in 1962 to teach Greek and the next year to also become the Dean of Men. The George M. Manuel library contains a number of volumes from Dr. Freasier's personal collection of books.

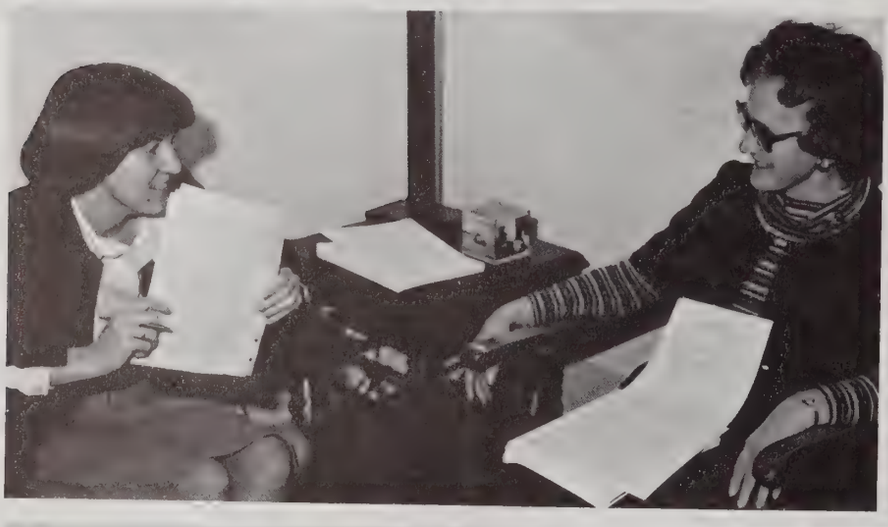
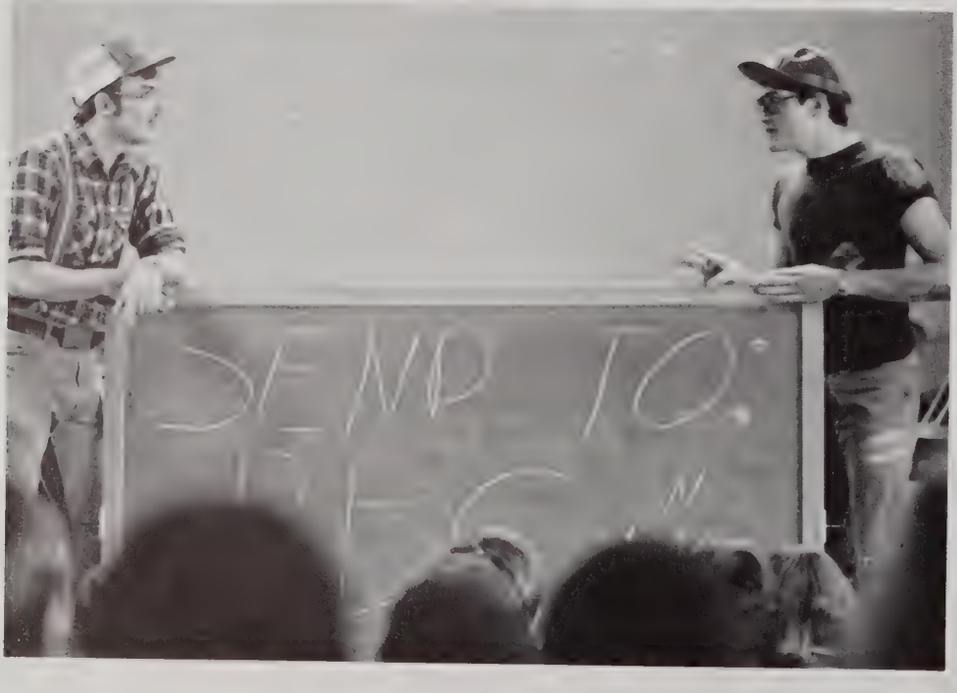
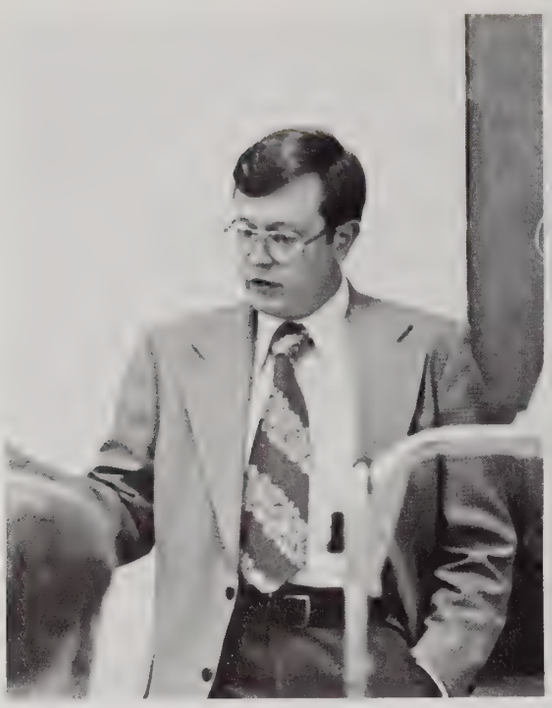
SECOND SEMESTER STUDENTS



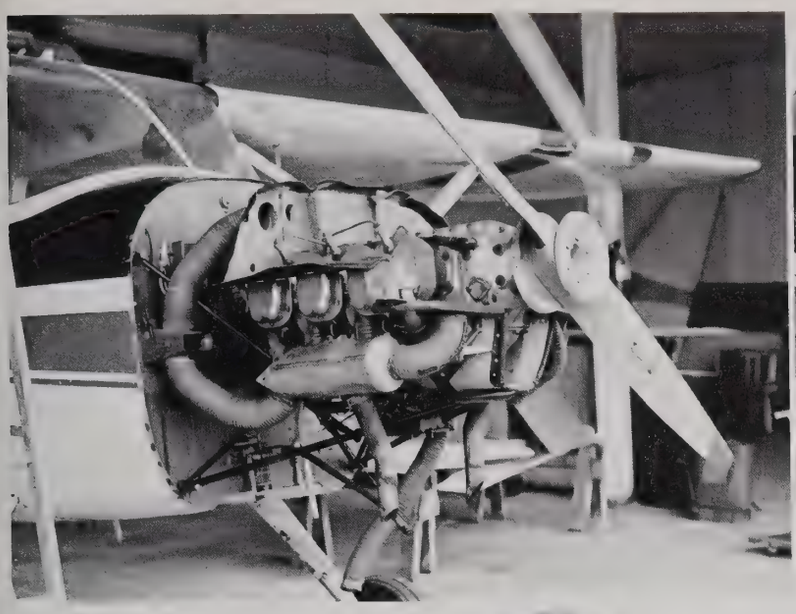


CURRICULUM



Bachelor of Theology Degree Program

The Bachelor of Theology degree program curriculum is primarily designed as a terminal program to prepare students for the pastoral office. Within the program one may also minor in a youth ministry, missions, or major in missionary-aviation.



The Missionary-Aviation program is aimed towards the vocational goal of becoming a missionary with aviation skills. The specific objectives of this course are (1) to provide a student with the Biblical knowledge necessary for an adequate ministry as a missionary, (2) to assist the student in the development of personal qualifications for the vocation, (3) to develop the skills needed for a church-planting ministry, and (4) to give the student adequate aviation instruction to fly and maintain an airplane as a missionary.

Students choosing this curriculum spend five years of study at Piedmont Bible College and at Missionary Aviation Institute. During this five-year program, the student is expected to acquire his private license, commercial pilot license, instrument rating, and his airframe and power-plant rating. The Bachelor of Theology degree is conferred upon successful completion of all courses at both institutions.

Applicants for the Missionary-Aviation program must be tested, interviewed, and evaluated for potential flight skills before being accepted in the program. This flight camp is held at the beginning of the Fall Semester. Students who have been accepted for the College, but who do not qualify for aviation may enroll in an alternative college curriculum.

Missionary-Aviation Program

The Bachelor of Science Degree program provides a dual major in Bible and Christian School Education. It is designed to prepare teachers for the elementary-level teaching.

This five-year program is designed especially to meet the needs of Christian schools. It provides a broad background in the content subjects, a solid Biblical studies major and a full professional education for the prospective teacher of early childhood and intermediate grades. All studies are presented from a Biblical viewpoint. Student teaching takes place in Christian schools.

Requirements are so planned that a graduate who secures a teaching position and desires North Carolina teacher recognition will be qualified for an "A" provisional certificate. In North Carolina, a permanent "A" certificate is available to those who pass the National Teacher Examination and complete one year of teaching satisfactorily.

Bachelor of Science Degree Program

Bachelor of Music Degree Program

The Bachelor of Music degree program with a major in Church Music is designed: (1) to provide professional training in the field of Church Music for qualified students who feel called of God to prepare for a ministry in church music; (2) to give practical experience in various church music activities; (3) to inculcate a Biblical philosophy of music based on the spiritual needs of the church to which he will minister; (4) to provide intensive training in one area of applied music (voice, piano or organ) and functional training in the other two applied areas.

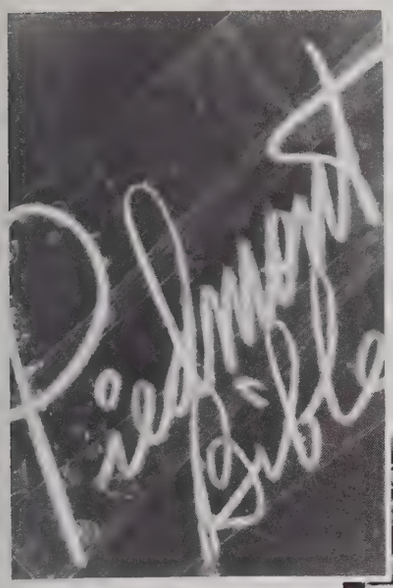
Since many churches desire a minister of music who is also able to aid in the administration of the educational program of the church, enough Christian Education courses are included to give a minor proficiency in Christian Education. This course requires satisfactory completion of 167 semester hours which includes a major in Bible, a major in Church Music and a minor in Christian Education.

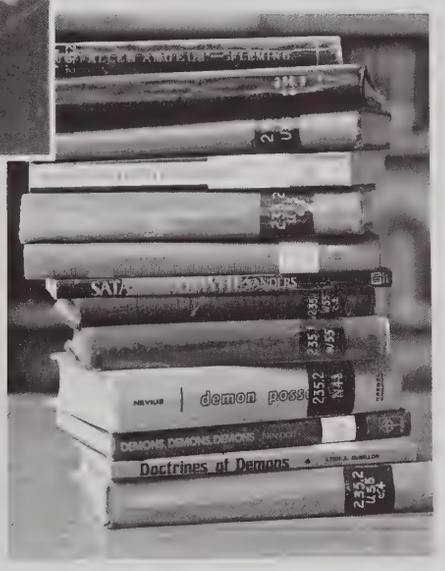
Bachelor of Religious Education Program

The Bachelor of Religious Education program curriculum is designed:

1. To develop, by study and practice, those personal and professional skills needed by the student to fulfill his calling to one of the Christian ministries.
2. To impart knowledge of the areas of service, history, philosophy, methods, resources and materials in the field of Christian Education.
3. To bring about an understanding of the organization and administration of the educational agencies of the church. The degree program requires satisfactory completion of minimum of 130 semester hours.

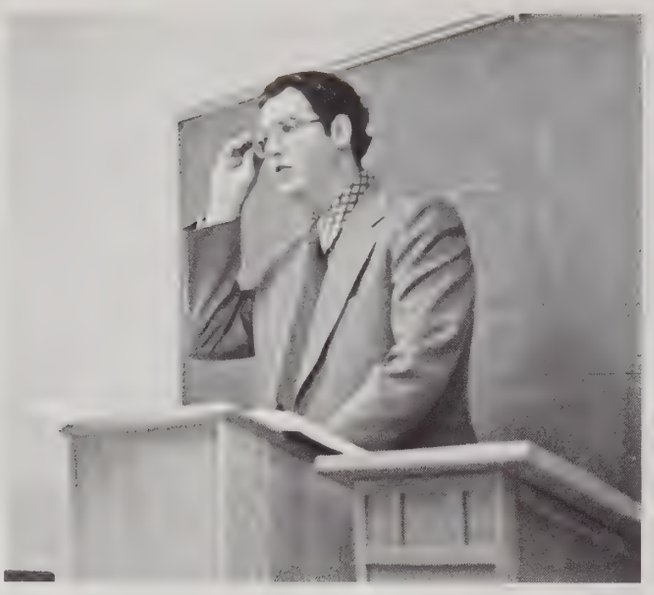
Four different minors are available for those majoring in Christian Education and Bible. They are Administration, Youth Leadership, Missions, and Church Music.

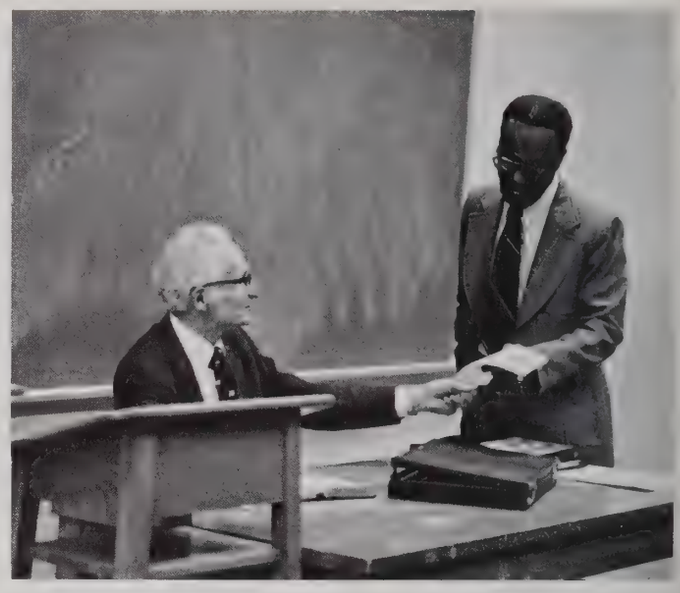




The three-year Christian Worker's Diploma program is designed primarily to give the student a basic knowledge of the Bible and educational activities of the local church. The diploma course requires satisfactory completion of 96 semester hours.

Three-Year Christian Worker's Diploma Program





Piedmont Bible Evening School

The courses for the E.T.T.A. Preliminary Certificates are:

Old Testament Survey I & II	Understanding People
New Testament Survey	Sunday School Success
Teaching Techniques	

For an Advanced Certificate from E.T.T.A., these six more courses are required, making twelve courses in all:

The Missionary Enterprises	Biblical Beliefs
Evangelize through Christian Education	Vacation Bible School
The Triune God	Your Bible

PURPOSE: To provide sound Bible training for busy people whose schedules allow only a minimum of time for formal training.

POTENTIAL: Students may obtain a certificate of achievement after 36 semester hours of credit have been accumulated. For 38 hours of credit a diploma is issued and at the completion of 60 hours of credit a gold seal is added.

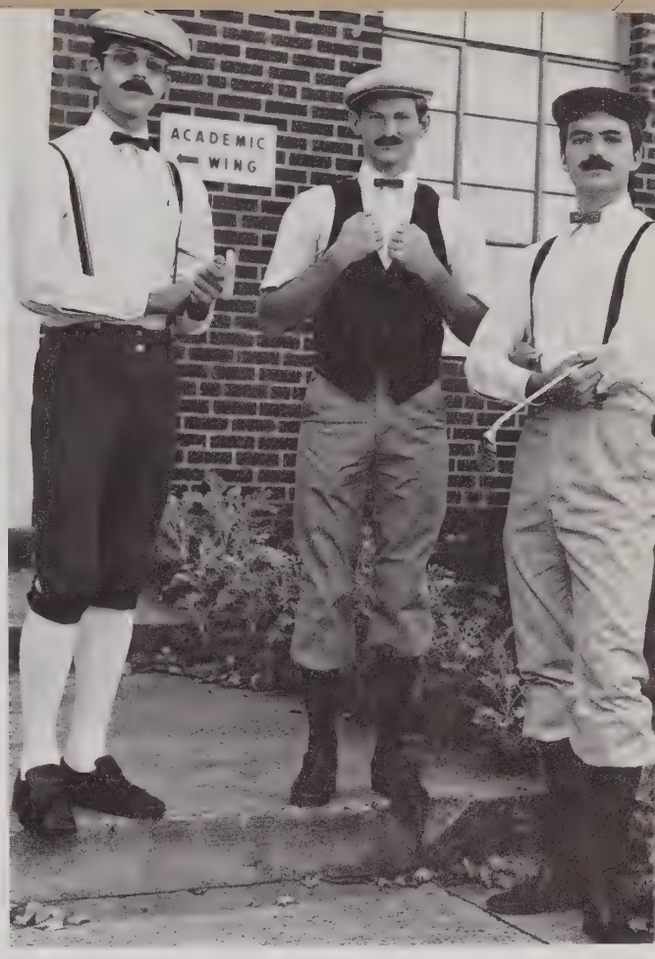
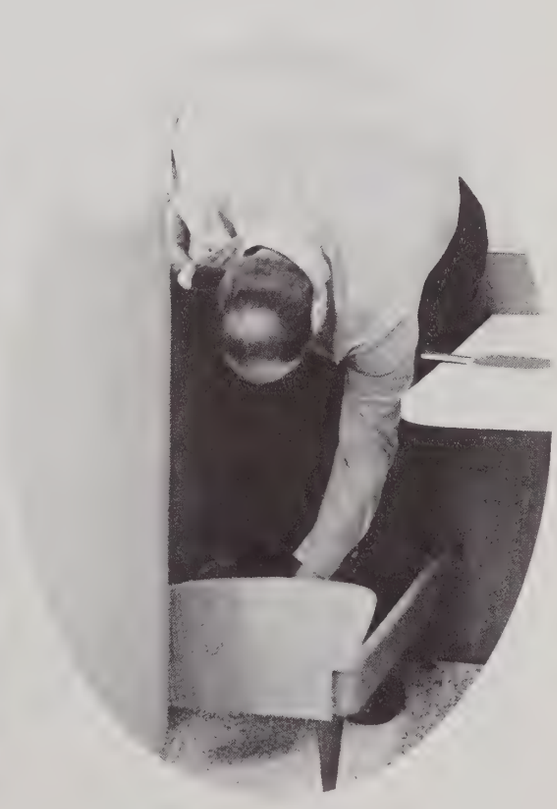
What's that ya say?



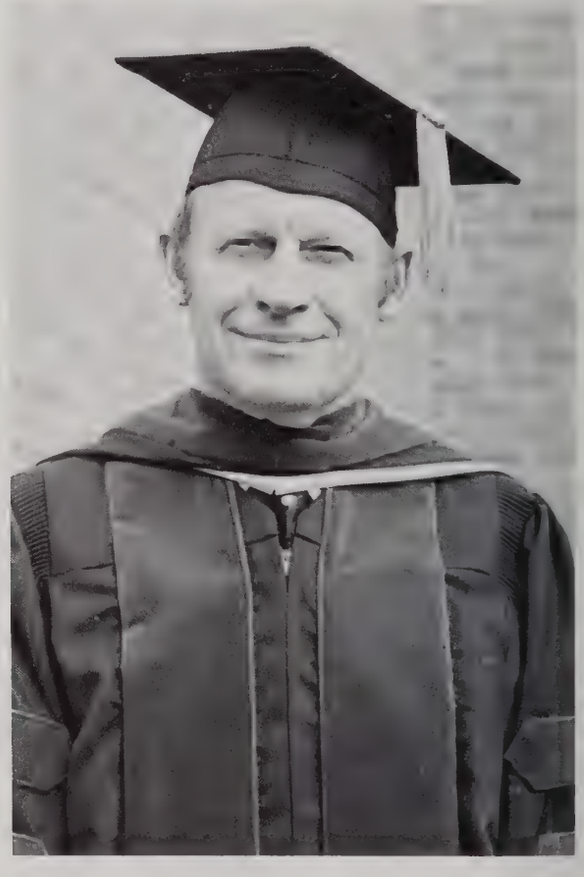
Back in the olden days, we used to wear . . .

What is so interesting Pat?

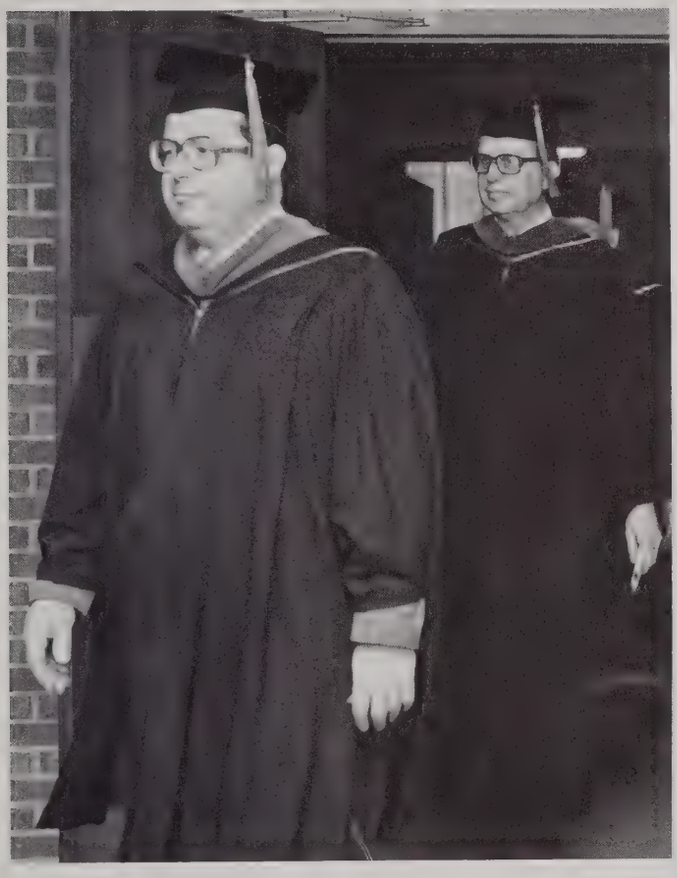


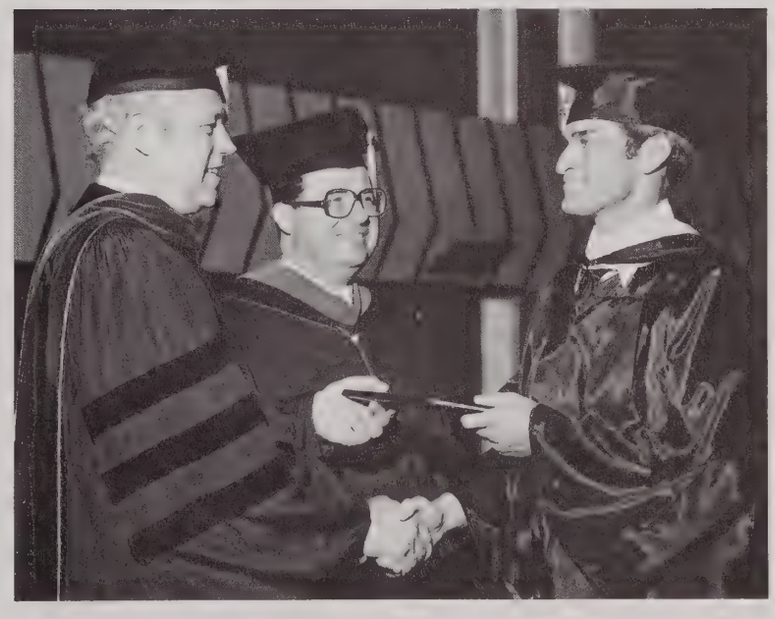
Keep lookin Bill. It's got to be there somewhere!

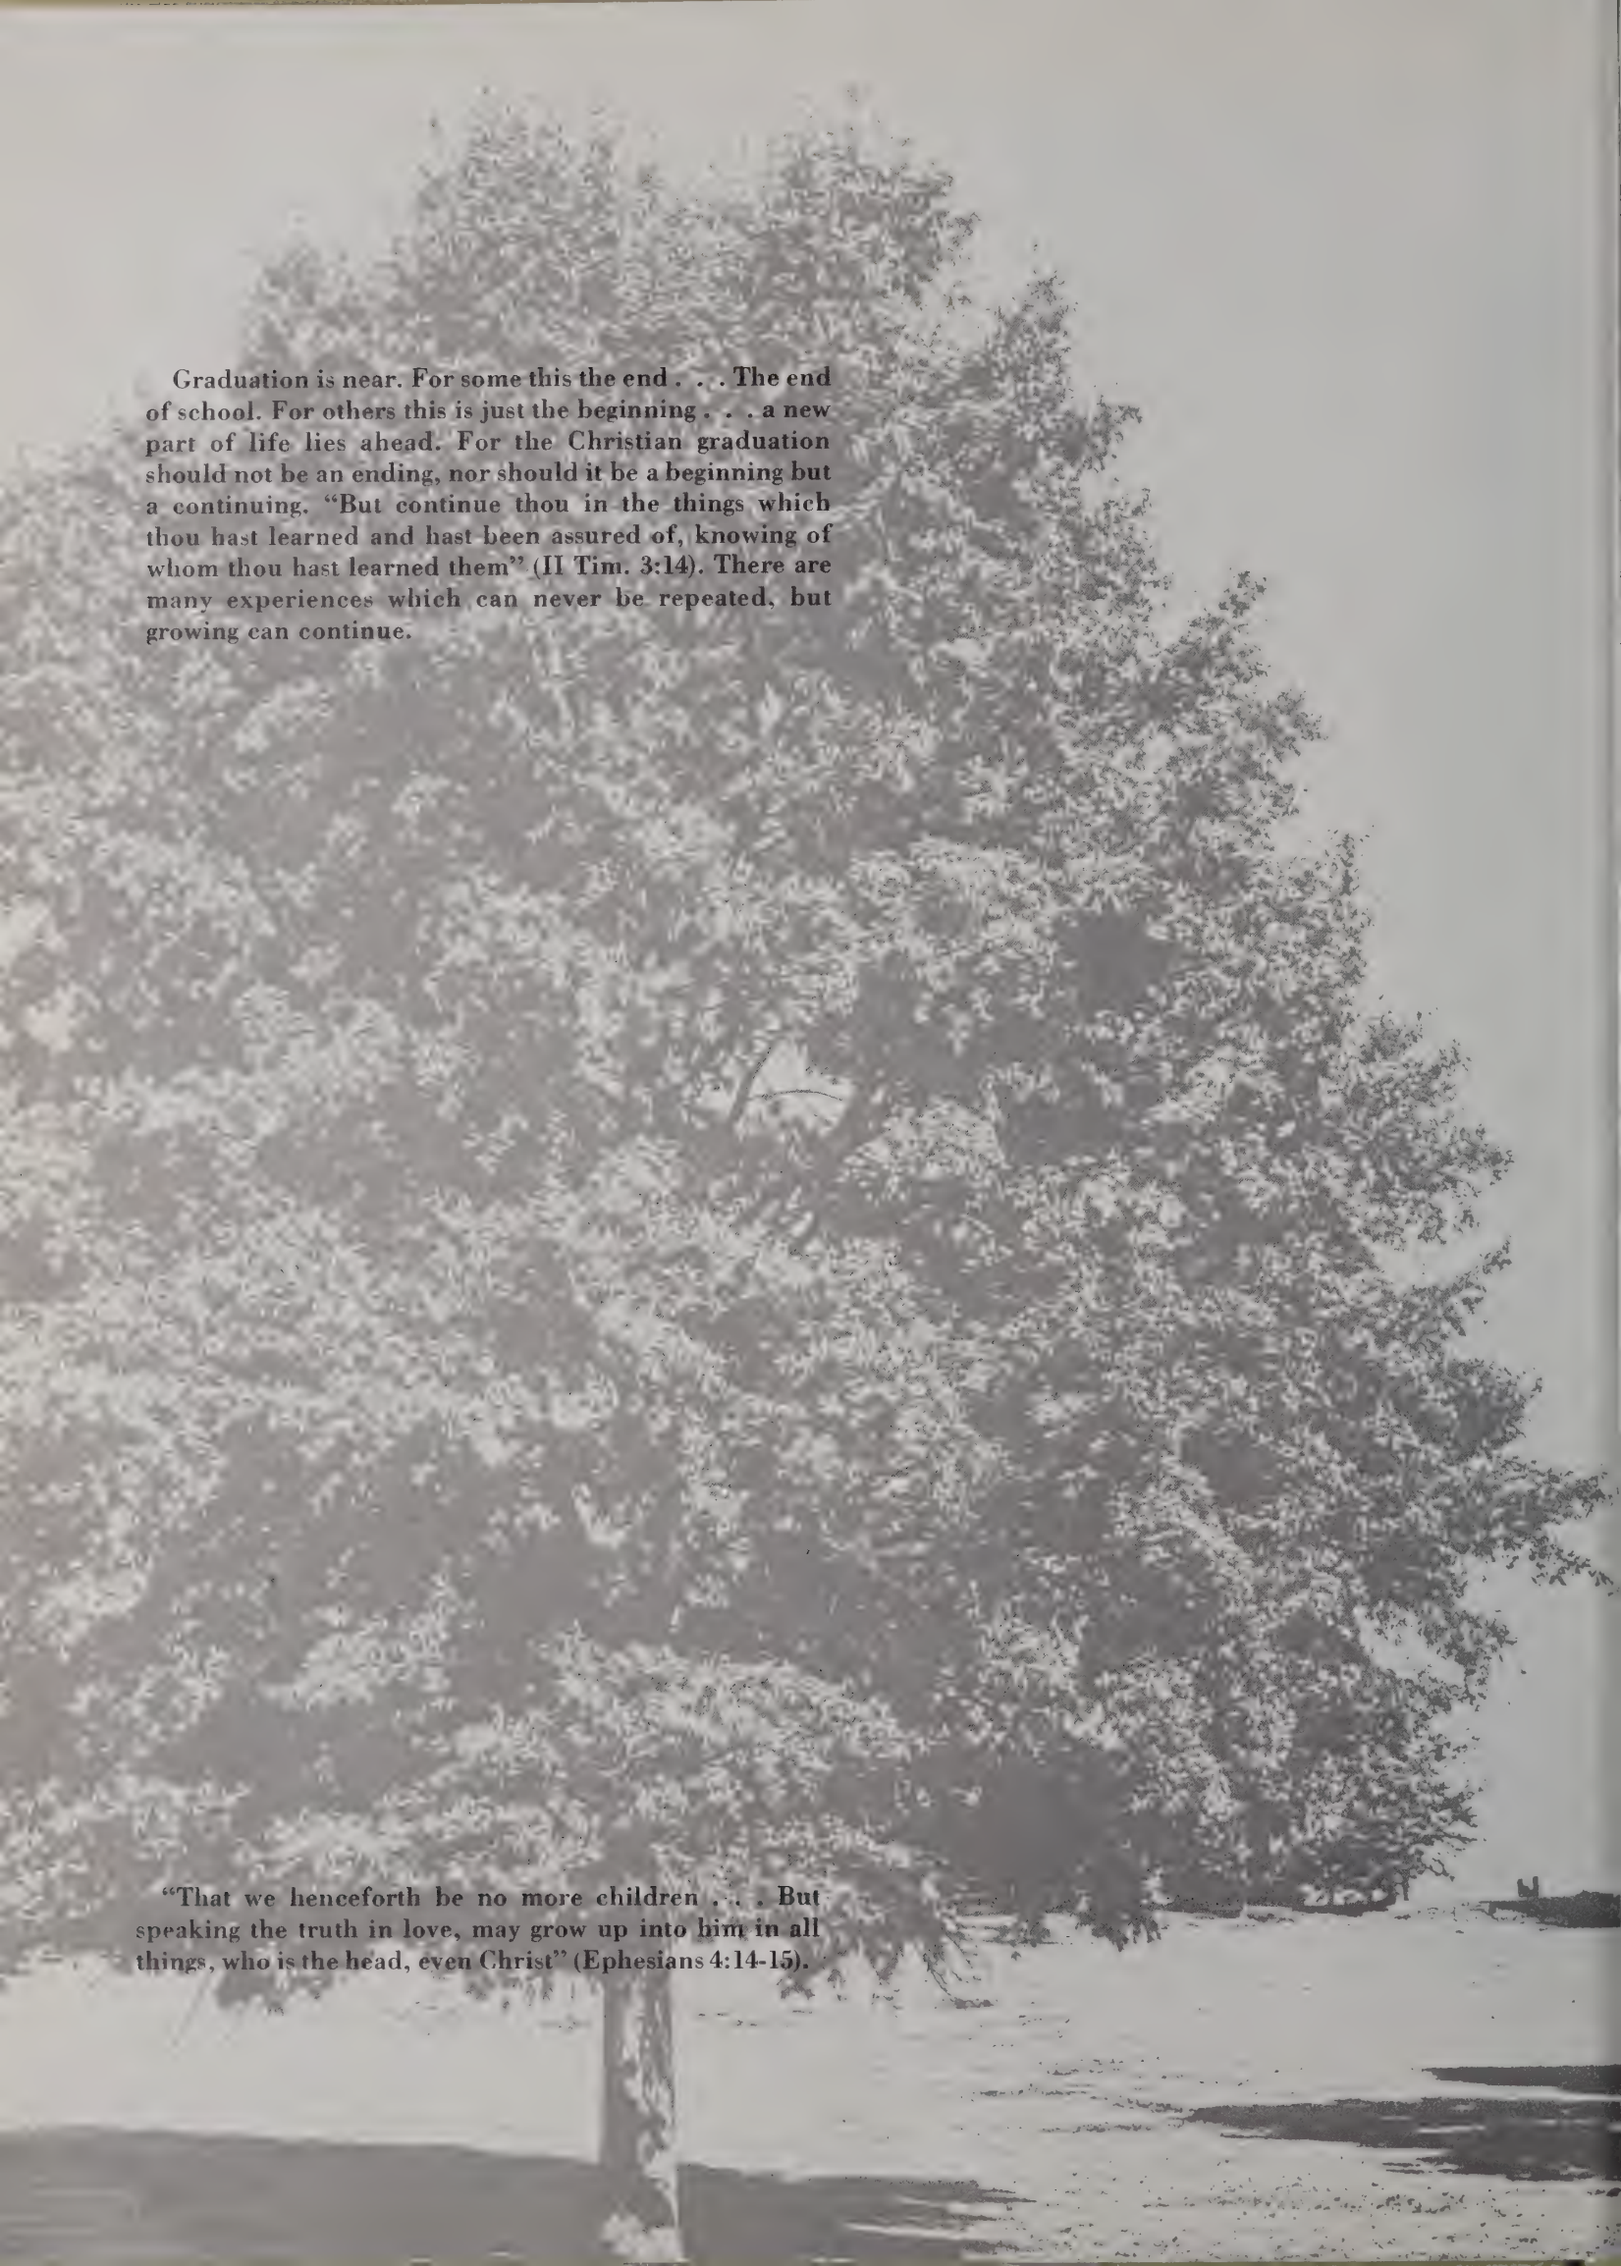
Commencement



May 1979







Graduation is near. For some this the end . . . The end of school. For others this is just the beginning . . . a new part of life lies ahead. For the Christian graduation should not be an ending, nor should it be a beginning but a continuing. "But continue thou in the things which thou hast learned and hast been assured of, knowing of whom thou hast learned them" (II Tim. 3:14). There are many experiences which can never be repeated, but growing can continue.

"That we henceforth be no more children . . . But speaking the truth in love, may grow up into him in all things, who is the head, even Christ" (Ephesians 4:14-15).
